Press Release

We are pleased to announce that Victoria Chaki has been promoted to the position of General Manager at the Columbus Monte-Carlo

Since obtaining a Bachelor's degree in Hotel Management at Glion Institute of Higher Education, Victoria has enjoyed a successful career working in a number of prestigious palaces and luxury 5 star hotels: The Savoy and The Baglioni hotels in London, The Royal Monceau in Paris and the Negresco in Nice. A temporary position in Beijing during the 2008 Olympics within the Raffles group completed her international experience.

Victoria, who is English, raised and educated in the Principality, joined the Columbus Monte-Carlo in 2014 within the Sales and Marketing team. She took over the position of Room Division Director in 2016 and implemented protocols which improved efficiency and service consistency within the ambitious repositioning project of the unique boutique Hotel of Monaco.

Heavily involved in the hotel's extensive renovation, she has monitored the full refurbishment process while upholding guests' services and maintaining high standards throughout the project. It's quite naturally that she succeeds to Bastien Anouil, after working at his side for 4 years.

We wish her the best of success in her new role.
